

Interested in hosting a party?

Imagine gathering around the table with friends, sharing stories, laughing together, and creating something you'll proudly display long after the evening is over.

That's what a Story Corner workshop is all about. Every miniature becomes a reminder of the memories made while creating it together.

Welcome & Thank You

We're delighted that you're interested in a miniature build night with The Story Corner! Our goal is to make your experience fun, relaxing, and memorable. We take care of the workshop details so you and your guests can focus on creating, laughing, and making memories together.

Why Choose the Story Corner?

At The Story Corner, we believe the best memories are made when people gather together, create something meaningful, and share the stories behind the things they love. Whether you're celebrating a birthday, hosting a book club, planning a girls' night, or simply looking for something different, we're here to help you create an experience your guests will remember long after the workshop ends.

We've Got You Every Step of the Way

Hosting a workshop should be exciting—not stressful. From the moment you book with The Story Corner, we'll guide you through every step of the process, so you'll always know what comes next.

We'll stay connected with helpful emails, reminders, planning resources, and personalized support leading to your event. On workshop day, we'll take care of the setup, guide everyone through the experience, and handle the cleanup when the fun is over.

Our goal is simple: to make hosting easy, create fun, and ensure every workshop is a memorable experience. You can relax and enjoy the event knowing we've taken care of the details.

What to Expect on Event Day

On the day of your workshop, we'll arrive approximately 30–60 minutes before the scheduled start time to set up all materials and prepare the workspace. Once your guests arrive, we'll guide everyone through the project step by step. Whether your guests have never built a miniature before or are experienced creators, we want everyone to feel comfortable and confident. Our workshops are designed to be low-stress, interactive, and enjoyable, with plenty of opportunities for creativity and personalization. At the end of the event, each guest will leave with a finished miniature keepsake, and we'll handle the cleanup before we head out.

How many guests attend?

Designed for **6–10 creators**

(Minimum of 6 • Maximum of 10)

This gives everyone enough attention while keeping the event relaxed and enjoyable.

Hosting a larger event? *Contact us! We'd be happy to discuss options for libraries, wineries, businesses, and community organizations.*

Memory Table

One of the most meaningful parts of our workshops is making your miniature uniquely yours. The workshop isn't just about building. It's about **sharing stories**.

Many people have tiny treasures tucked away in a drawer or keepsake box—a miniature inherited from a family member, a tiny souvenir from a special trip, a dollhouse accessory from childhood, or another small item they've collected over the years.

If you have a special item you'd like to include, bring it along! Whenever possible, we'll help you incorporate it into your project or brainstorm creative ways to showcase it as part of your miniature story.

There is no obligation to bring a keepsake—many creators simply enjoy seeing the stories others bring to share. If you choose to bring a keepsake, you are under no obligation to share the story! Every piece tells a story...and the story is YOURS!

Sometimes the smallest treasures tell the biggest stories.

Making Space for Creativity

Our workshops are designed to fit comfortably in most homes, club meeting rooms, libraries, wineries, and community spaces. We don't require a large area—just enough table space for each creator to work comfortably.

To help us provide the best experience, we ask that you have:

- Tables and chairs for all creators
- Need tables? Ask about our convenient table rental option.
- Access to two standard electrical outlets. We'll bring our own power strips and extension cords if needed.
- A well-lit space whenever possible.

We'll take care of the rest! We provide all workshop supplies, protective drop cloths for the work surfaces, tools, and cleanup at the end of the event.

If you're unsure whether your space will work, simply send us a few photos or give us a call—we're happy to help determine the best setup.

We Handle the Setup & Clean Up

To ensure a smooth and enjoyable experience, we'll arrive approximately **30 minutes before** your scheduled **workshop/party/event** start time. During this time, we'll set up the workspace, organize supplies, and prepare everything so your guests can begin creating as soon as the event starts.

After the workshop, we'll handle the cleanup, pack our supplies, and leave the space just as we found it.

Snacks, Sips & Good Company

You can simply relax and enjoy the experience—we'll provide everything needed for the featured workshop: beverages, including recipes, mixers, garnishes, cups, and tools. We provide enough ingredients for each guest to enjoy up to two beverages during the workshop.

For workshops featuring alcoholic beverages, the host is responsible for purchasing and providing the alcohol. This allows the host to select their preferred brands while helping ensure compliance with local laws and regulations.

Guests are also welcome to enjoy additional snacks, appetizers, or desserts provided by the host. We recommend light finger foods that are easy to enjoy during the workshop.

If you have any questions about beverage selections or quantities, we're happy to help you plan the perfect menu for your event.

A Little Thank You

Private home workshops require a minimum of six creators.

If the host has 8 paid creators, they will receive a custom canvas bag and 1 bonus miniature custom piece.

If the host has 10 paid creators, they will receive a custom T-shirt, canvas bag, and 2 bonus miniature custom pieces

Choose Your Story Session

Package Options	Classic (\$55)	Signature (\$65)	Heirloom (\$75)
